

Air Spring Struts

Air spring struts and air suspension compressors suitable for European premium brands

- **Precision engineered products** for passenger cars and commercial vehicles
- Designed and manufactured to meet **OE specifications**
- **High quality materials** used in manufacturing down to the smallest of detail
- Excellent comfort driving and **perfect handling** characteristics
- Permanently monitored production line process according to **TS 16949** quality standards

Kompressor, Druckluftanlage Compressor, compressed air system
